

NEW ZEALAND Residency By Investment

XIPHIAS Immigration | Residency - Citizenship & Corporate Services

About New Zealand RBI

New Zealand is a globally respected country known for its political stability, strong economy, and high quality of life. Located in the South Pacific, it offers a transparent legal system and a safe, well-regulated investment environment. The country is widely recognized for its clean governance and investor-friendly policies. Through the New Zealand RBI (Residence by Investment) pathway, investors can access long-term residency and global mobility. XIPHIAS guides investors through a structured and compliant process to secure reliable, future-focused residency in New Zealand.

Eligibility

- Be at least 18 years old
- Maintain the required investment for the specified period
- Spend the required number of days in New Zealand during the investment period
- Provide proof of a lawful source of investment funds
- Meet health and character requirements

Program Overview

Program Type

Residency By Investment

Minimum investment

NZ\$1 million

Processing Time

1-2 months

Physical Presence Required

21-184 days (based on program)

Key Benefits

- No taxes on gifts, estates, wealth, or capital gains in New Zealand.
- Include spouse and dependent children under 25
- High living standards, safety, and political stability
- Low population density with a multicultural lifestyle
- A high-quality education system and modern healthcare facilities

Active Investor Plus Visa

The New Zealand Residence by Investment program, through the Active Investor Plus Visa, offers investors a direct pathway to residency by making a qualifying investment.

With options starting from NZD 5 million, applicants can choose between flexible investment categories based on their goals. The program allows investors and their families to live, work, and study in New Zealand while benefiting from a stable economy and high quality of life.

Eligibility

- Invest in active NZ assets (companies, equities, or funds)
- Stay minimum 21 days during the 3-year Growth period
- Transfer funds within 6 months of AIP approval
- Transfer funds within 6 months of AIP approval
- Include spouse and dependent children up to age 24.

Investment Options

- Growth Category
- Balanced Category

Minimum investment

- NZ\$5 million

Processing Time:

- 1-2 months

Key Benefits

- Access NZ residency via the Active Investor Plus Visa
- Include spouse and dependent children in the application
- Multicultural society with excellent quality of life
- Diversified investments (bonds, equities, infrastructure)
- High living standards, safety, and political stability

- **1.Growth Category**

Investment Type :

Growth-focused investments

Minimum Investment :

NZD 5 million

Stay Requirement :

21 days stay over 3 years

Investment Duration :

3 years

- The Growth Category is designed for investors seeking higher returns through investments in New Zealand New Zealand businesses and managed funds
- This pathway offers a fast and flexible route to residency, allowing investors and their families to live, work, and invest in New Zealand while benefiting from its stable economy and high quality of life.

Process

- 1 Check eligibility: must be 18+, clean record, medical clearance, and lawful funds
- 2 Submit EOI outlining your investment plan and financial background
- 3 Receive AIP with a 6-month window to transfer investment funds
- 4 Invest NZD 5M in approved growth investments in New Zealand
- 5 Visa approved after verification, allowing family to live, work, and study

• 2. Balanced Category

Investment Type :

Diversified asset investments

Minimum Investment :

NZD 10 million

Stay Requirement :

105 days over 5 years

Investment Duration :

5 years

- Includes all Growth category investments plus listed equities, bonds, philanthropy, and certain property developments (e.g., new residential projects that increase housing stock, or commercial/industrial developments that add value)
- This pathway offers a secure and structured route to residency, allowing investors and their families to live, work, and invest in New Zealand while benefiting from its stable economy and high quality of life.

Process

- 1 Check eligibility: 18+, clean record, medical clearance, and lawful funds
- 2 Submit EOI with investment plan and financial details
- 3 Receive AIP with a 6-month fund transfer window
- 4 Invest NZD 10M in approved diversified assets in New Zealand
- 5 Visa approved after verification, allowing family to live, work, and study

Business Investor Visa

The New Zealand Business Investor Work Visa is designed for experienced entrepreneurs looking to invest in and actively manage a business in New Zealand.

With a minimum investment of NZD 1 million, or NZD 2 million for a faster residency pathway, this program offers a clear route to residency, allowing investors and their families to live, work, and build a business in a stable and business-friendly environment.

Eligibility

- Invest NZD 1M (or NZD 2M for fast-track residency)
- Maintain NZD 500K for personal living expenses
- Age 55 or below with basic English proficiency
- Funds must be legally earned and owned
- Invest in and actively manage a NZ business

Processing Time:

1–2 months

Minimum Investment :

NZD 1 million

Stay Requirement :

184 days a year

Investment Duration :

1–3 years (based on investment)

Process

- 1 Assess eligibility and select a suitable existing business in New Zealand
- 2 Complete financial, legal, and operational due diligence
- 3 Submit visa application with all required documents
- 4 Transfer funds and purchase the business within required timeline
- 5 Actively manage the business and apply for residency after 1–3 years

Step beyond boundaries
and own your place in the world.
